Dear Friends:

On behalf of the College of Veterinary Medicine & Biomedical Sciences at Texas A&M University, it is a privilege to express our sincere gratitude to you for your recent gift in the amount of \$200.00. As a state-assisted university continually facing shrinking state resources, your support is extremely important.

Our College and its faculty and students value the human-animal bond and will continue to work at improving the health and welfare of our animal friends. We sincerely thank you once again for your support and interest. It is people like you who help the college carry on its tradition of excellence in education. We are most appreciative.

Sincerely,

H. Richard Adams
