SCALE OF POINTS

Five Breed Club points are the maximum a Shiloh may earn in any one show.

Points are not earned until Winners Dog and Winners Bitch are chosen. Each of those dogs will receive one (1) point for each dog defeated of its own sex, to the show maximum. **Do not count your own dog.**

If Best of Winners is awarded, the highest point total of either Winners Dog or Winners Bitch is given to Best of Winners (Not combined with previous points, only the highest number is earned).

Best of Breed dog receives no Breed Club Points, but goes on to Group Competition. Non Champion dogs/bitches may earn the following points in Group placement only if greater than the amount earned in Breed competition. (Not combined with previous points, only the highest number is earned.)

# OF BREEDS IN GROUP	1ST PLACE	2ND PLACE	3RD PLACE	4TH PLACE
